Organized

Add on course on 'Introduction to Research'

Date: 2 July 2018 to 7 July 2018

Course Duration: 48 Hrs.

Objective:

1. To aware students regarding research domains
2. To align students with cutting age technologies

Brief Report:

Add-on course on Introduction to Research was conducted at the institute Bharati Vidyapeeth College of Pharmacy, Kolhapur. Large number of students are actively considering and taking up research and associated higher studies. This course aims to introduce students to the important aspects of research. The intent of the course is to make students aware of the details associated with formal research and to help students overcome common misconceptions that may be present in their minds. By going through this course, students are likely to be able to take up research activities in a more systematic and formal manner right from the beginning. The interactive Q& A session allowed participants to engage in meaningful discussions and gain deeper insights into the subject matter. The certificates were distributed to the students. The program was coordinated by Mr. U. S. Patil.
