### BHARATI VIDYAPEETH COLLEGE OF PHARMACY, KOLHAPUR Organized

#### International Women's Day Celebration

**Date:** March 8, 2022

**Venue:** Bharati Vidyapeeth College of Pharmacy, Kolhapur

**Introduction:**

International Women's Day was joyfully celebrated by the entire women staff and female students at Bharati Vidyapeeth College of Pharmacy, Kolhapur, on March 8, 2022. The event was marked by various activities that promoted gender equality and showcased the talents of our female community members.

**Objectives of the Celebration:**

1. To commemorate International Women's Day and acknowledge the contributions of women to society.
2. To create awareness about the importance of gender equality.
3. To provide a platform for female students to express their views and talents.
4. To foster a sense of unity and camaraderie among women staff and students.
5. To align the celebration with the ongoing Azadi Ka Amrit Mahotsav festivities.

**Event Highlights:**

- The event commenced with an introduction by the NSS Program Officer, Mrs. R. R. Jarag, who shed light on the significance of International Women's Day and its relevance in today's world.
- Female students expressed their appreciation for the women staff by presenting them with rose flowers as a gesture of respect and gratitude.

- As part of the Azadi Ka Amrit Mahotsav celebrations, female students delivered insightful talks on the theme "Gender Equality Today for Sustainable Tomorrow." They shared their perspectives, experiences, and aspirations, promoting the importance of gender parity for a better future.

- The celebration also featured creative expressions such as poems, shayaris, and stories related to International Women's Day, demonstrating the artistic talents within our community.

- The event concluded with a delightful spread of refreshments, allowing attendees to socialize and share the joy of the occasion.

- All attendees' overwhelming response and active participation made the celebration truly memorable.

The International Women's Day celebration at Bharati Vidyapeeth College of Pharmacy, Kolhapur, served as a meaningful platform for women staff and students to come together, reflect on gender equality, and celebrate the achievements of women in our society. It was a testament to our female community members' strength, resilience, and talent.

### BHARATI VIDYAPEETH COLLEGE OF PHARMACY, KOLHAPUR Organized

#### Tree Plantation Program on the occasion of World Environment Day

**Date:** June 5, 2019

**Objective:**

The primary objective of conducting the tree plantation program on World Environment Day at the college level was to raise environmental awareness, instill a sense of responsibility, and actively contribute to environmental conservation among students and staff. The program aimed to promote a deeper understanding of the environment and the significance of World Environment Day.

**Program Highlights:**

On June 5, 2019, the college celebrated World Environment Day by organizing a tree plantation program. This event was attended by Dr. H. M. Kadam, the Regional Director, Dr. H. N. More, the Principal, teaching and non-teaching staff members, and students from various departments.

**Importance of Environment and World Environment Day:**

Mrs. R. R. Jarag, in her introductory talk, effectively conveyed the importance of the environment and the reasons for celebrating World Environment Day. Her speech emphasized the essential role of the environment in sustaining life on Earth and highlighted the critical need for environmental protection and conservation efforts. She also elaborated on the global significance of World Environment Day as a platform for raising awareness and taking action to address pressing environmental issues.

## **Tree Plantation:**

To translate these words into action, the program included the planting of 500 trees on the college premises. This act was symbolic of the institution's commitment to environmental preservation and its role in nurturing a greener and more sustainable future. Each tree planted represented a tangible step toward a cleaner and healthier environment.

## **Participation:**

The tree plantation event showcased the power of collective action. It brought together students, teaching and non-teaching staff, and the leadership of the college, demonstrating that environmental responsibility is a shared endeavor that transcends roles and backgrounds. The event served to unite the college community in a common cause.

## **Promoting Environmental Awareness:**

Beyond the immediate act of planting trees, the event aimed to cultivate a sense of environmental consciousness. It encouraged participants to reflect on their individual roles in environmental stewardship and inspired them to make sustainable choices in their daily lives.

## **Conclusion:**

The World Environment Day tree plantation program at the college level was a meaningful initiative that successfully achieved its objectives. It fostered environmental awareness, cultivated a sense of environmental responsibility, and encouraged active participation in environmental conservation. By planting 500 trees and providing insights into the significance of World Environment Day, the event contributed to a more environmentally conscious and sustainable campus. It served as a reminder that our collective actions, even at the college level, can have a significant impact on the larger goal of preserving the environment for current and future generations.
