All the IQAC members were congratulated by the Chairman and the coordinator for their achievements in the concluded NBA compliance inspection. Based on the suggestions given by the IQAC members assimilation of data for the NIRF submissions was proposed to be initiated.

## Item No. 6 E-content for practicals and skill set development

### Resolution No. 6

After elaborate discussion with academic incharges all the members accepted the change in the process of conducting practical classes with an aim to focus on skill sets. It was proposed that all class teachers should monitor the progress of this activity and motivate subject teachers to generate e-content to address this issue.

## Item No. 7 Any other item with kind permission of chair.

### a) Distribution of work with supporting staff

#### Resolution No. 7a

The problem of teaching faculty not getting enough time for learning and research was discussed. It was resolved that taking into account the availability of supporting staff the gradual shift of non-academic responsibilities to supporting staff will be initiated. The coordinator confirmed that the necessary changes will reflect in the working committees.

## **Item No. 1:**

**To read and confirm the minutes of last meeting held on 26/11/2022 and approve the action taken report.**

### **Resolution No. 1:**

The minutes of the meeting were read out along with the action taken report. After a formal discussion with the IQAC members, all IQAC members approved the minutes of the meeting and the action taken report.

## **Item No. 2 Research grant applications.**

### **Resolution No. 2**

Various aspects of project proposals were discussed with all members to figure out the reasons for the declining number of research grants getting sanctioned. Dr. P.B. Choudhari and Mr. R. J. Jarag were assigned the responsibility to update all the faculty about the strategy discussed for filing new grant applications.

## **Item No. 3 Constitution of the RDC.**

### **Resolution No. 3**

The proposed constitution of the RDC along with the required sub-committees with minor changes was approved by the IQAC.

## **Item No. 4 Strategy for multi-institutional projects.**

### **Resolution No. 4**

After discussion on the strengths and weaknesses of the institute a proposal to initiate talks to build a strategy for taking up multi-institutional projects was accepted. It was resolved that MOUs with institutions having diverse strengths should be taken up and made functional to ensure initiation of such multi-institutional projects. The coordination of this activity was assigned to Dr. N. M. Bhatia and Dr. P.B. Choudhari.

## **Item No. 5 IQAC composition change**

### **Resolution No. 5**

# Bharati Vidyapeeth College of Pharmacy, Kolhapur

The proposal of Dr. P. B. Choudhari to include one additional teacher representative in the IQAC was unanimously accepted and thus the proposed name of Dr. D. A. Bhagwat was included in the members of the IQAC.

## Item No. 6 Covid pandemic related rescheduling

### Resolution No. 6

After elaborate discussion with academic incharges it was proposed that by conducting extra classes wherever required the offset in the schedule of the teaching term and examinations of late admitted students should be corrected as early as possible. Members of the IQAC who are members in various committees of the University were assigned the responsibility of getting the issue addressed with the approval of the University.

## Item No. 7 Any other item with kind permission of chair.

### a) Proposal for conduct of national/international competitions

#### Resolution No. 7a

IQAC coordinator proposed a schedule for conduction of 6 national/international competitions every year. The 2<sup>nd</sup>, 3<sup>rd</sup> and final year class teachers and all heads of PG department were to be assigned the responsibility of conducting one such event as per a tentative schedule presented by Dr. M. S. Bhatia. The proposal was accepted and a unanimous resolution for conduction of 6 such events annually was passed.

## Item No. 1:

To read and confirm the minutes of last meeting held on 14/01/2023 and approve the action taken report.

### Resolution No. 1:

The minutes of the meeting were read out along with the action taken report. After a formal discussion with the IQAC members, all IQAC members approved the minutes of the meeting and the action taken report.

## Item No. 2 Upgrading the Library.

### Resolution No. 2

Based on the requirement of students discussed in the Student's Council and certain suggestions given by faculty it was decided that the e-library section needs to be refurbished and number of audio books should be added in the library and the language lab. A resolution to this effect assigning the responsibility to the Librarian and the computer incharge was passed.

## Item No. 3 NAAC preparation.

### Resolution No. 3

To carry out organised assimilation of all the relevant data from various sections of the institute a list of Criterion heads with a tentative committee composition was proposed by the IQAC coordinator. With minor changes the Criterion based committees were finalized for further processing of the NAAC accreditation work.

## Item No. 4 Incentives for quality publications.

### Resolution No. 4

As per the matter discussed in earlier meetings the quartile based financial incentives per publication for the faculty was processed and the faculty have received the due benefits. Incentives on similar lines for granted patents and other contributions by the staff were also discussed and the IQAC chairman was entrusted the responsibility to follow it up.

## Item No. 5 Review of B.Pharm. and M.Pharm. projects

### Resolution No. 5

As per the protocol set for the scrutiny of B.Pharm. and M.Pharm. projects the constituted committee for the same was approved. It was resolved that the respective program committees should complete the preliminary scrutiny of the projects prior to the IQAC.

## Item No. 6 Upgrading the AI laboratory.

### Resolution No. 6

Dr. M. S. Bhatia proposed the allotment of one teacher and one student expert for each licensed or free software in the AI lab and these experts could be assigned the responsibility to arrange training sessions for the research students. This proposal was accepted and it was resolved that the AI lab incharge will do the needful for execution of the proposal accepted.

## Item No. 7 Any other item with kind permission of chair.

### a) MOOC courses

### Resolution No. 7a

Dr. D. A. Bhagwat proposed that students should be motivated to take up variety of MOOC courses over and above the courses conducted as per curriculum to cope up with current professional requirements. The proposal was unanimously accepted and the academic incharges and class teachers were assigned the responsibility of drafting the final proposal in respective program committees.
