Human Values, rights has been inculcated in the students by teachers with the the help of training workshops designed by AICTE. This 5-day, on-line workshop is specially designed for sharing AICTE's approach for inculcating universal human values and cultural enrichment. NEP2020 recognises this urgent need, "value-based education will include the development of humanistic, ethical, Constitutional, and universal human values of truth (satya), righteous conduct (dharma), peace (shanti), love (prem), nonviolence (ahimsa), scientific temper, citizenship values, and also life-skills; lessons in seva/service and participation in community service programs will be considered an integral part of a holistic education".

All Staffs has been registered for this certified online programme and received course completion certificates.
