The institute has implemented a robust and well-structured feedback mechanism that is specifically designed to collect input from stakeholders. This mechanism ensures that the institute can receive valuable feedback from various stakeholders involved with its activities and initiatives.

Feedback from students

An analysis of student feedback collected revealed that students expressed high levels of satisfaction with the syllabus covered in the teaching and learning process. Additionally, students were content with the balanced distribution of proportion and weightage allocated to both internal assessment and term-end assessment modules. Furthermore, students conveyed their satisfaction with the quantity and variety of experiments conducted during practical sessions throughout the academic course.

Suggestion from students	Action taken
Deliver content through graphical presentation.	In line with the suggestion, faculty members have been advised to conduct a graphical presentation on content using PPT's and videos.
The department will diligently monitor, interpret, and take the necessary actions as needed.
