**Bharati Vidyapeeth
College of Pharmacy**

Near Chitranagari, Kolhapur

Phone: 02312637286

Vision:

Evolve as an Aspirational Learning Institute for Grooming Youth to be Competent and Society Caring Pharmacy Professionals.

Mission:

To provide,

- Student centric Quality Education for Pharmaceutical sciences and Societal Healthcare.
- Learning environment to encourage development of technical and interpersonal skills, independent thinking and research excellence.
- Updates and upgrades with changing needs of students and other stake holders.

About College:

Bharati Vidyapeeth College of Pharmacy, Kolhapur is an institute established in the year 1996 with a vision to impart quality education and training at par with international standard. It is an institution where discipline is principle, performance is habit and success is a journey.

- Conducts D. Pharm., B. Pharm., M. Pharm. (Pharm. Chemistry, Pharmaceutics and Pharm. Quality Assurance) and Ph. D. courses.
- B. Pharmacy course is reaccredited by NBA For three years (2019-2022).
- Ranked 62nd in India by NIRF (2020), Ministry of Human Resource Development, Government of India.
- Consecutively five times the institute has been in NIRF ranking.
- Lead College of Shivaji University, Kolhapur with permanent affiliation and inclusion in UGC 2 (f) & 12(B).
- Approved centre for postgraduate and doctoral research.
- Common facility center and Laboratories equipped with major equipments worth about Rs. 3 crore.
- Rich and updated library facilities with e-library (books worth Rs. 81 Lakhs).
- Registered college alumni contributing to develop pharmacy profession.

About Program:

Quality is a pre requisite in any product, especially in the pharmaceutical industry so maintaining and upholding international quality standards is crucial. This faculty development program will be delivered over one week to provide the basic principles and practices of Quality Assurance, Quality Management, Quality Control and use of robust Quality Systems in the pharmaceutical industry. The program will cover current principles on Pharmaceutical Quality Management Systems (PQMS), FDA, ICH, WHO Guidance for Quality Systems.

Participants will learn Pharma Quality Management Systems with respect to integration of GMP, QbD, ICH Q8, 9 & 10 and ISO 9000 principles with respect to continually improve QMS.

The workshop will also focus on unlearning old ideologies by adapting new principles, methods & tools for identifying & implementing Quality Management systems.

Contents of FDP to be covered:

- ✓ Principles and expectations of the PQS
- ✓ GMP principles, ICH and ISO guidelines.
- ✓ Use of techniques such as Risk Management, Quality-by-Design and the Quality System approach.

Speakers:

The sessions of this programme shall be conducted by the team of eminent industrial experts and academicians possessing in-depth knowledge in the area of pharmaceutical quality systems. It will consist of a series of lectures followed by interactive sessions.

Targeted participants:

The faculty members of the AICTE approved institutions, Research Scholars, PG Scholars, participants from Government, Industry (Bureaucrats /Technicians / Participants from Industry etc.). It will be of specific benefit for quality professionals, especially who are working in quality assurance and quality improvement roles.

Session wise time schedule:
