

**BHARATI VIDYAPEETH  
COLLEGE OF PHARMACY, KOLHAPUR**

**Rate Card for Instrumental and Analytical Services**

Sr. No.	Name of Instrument	Parameters	Charges For Home University (Rs.)	Charges For Other University Industries / Research Lab
1.	UV Spectrophotometer	Dissolution testing of tablet or capsules by Dissolution tester by UV spectroscopy	200/ Per sample	300/- Per sample
		Assay of tablet or capsules by using UV Spectroscopy	200/ Per sample	300/- Per sample
		Calibration curve of Drug	200/ Per sample	300/- Per sample
		Spectrum(wavelength)Detection	200/ Per sample	300/- Per sample
		Fluoride content in water	200/ Per sample	300/- Per sample
		Minerals (Sodium or Calcium) in water	200/ Per sample	300/- Per sample
		Protein estimation(Albumin)	200/ Per sample	300/- Per sample
		Carbohydrate estimation(Glucose)	200/ Per sample	300/- Per sample
		Cholesterol estimation	200/ Per sample	300/- Per sample
		Creatinine estimation of blood	200/ Per sample	300/- Per sample
		Vitamins estimation	200/ Per sample	300/- Per sample
		Method Development and validation	Based on nature of work	Based on nature of work

		Hands on training	100/- per person	150/- per person
2.	HPLC analysis	Dissolution testing of tablet or capsules by Dissolution tester and HPLC	500/- Per dosage form	800/- Per dosage form
		Assay of tablet or capsules by using HPLC	500/- Per dosage form	800/- Per dosage form
		Method Development and validation	Based on nature of work	Based on nature of work
		Hands-on training	500/- per day	800/- per day
3.	FTIR ( Fourier Transform Infrared Spectroscopy)	For functional group detection	200/- Per Sample	250/- Per sample
4.	Microfluidizer	Particle size reduction	1000/ Per sample	1500/- Per sample
5.	Biopac (Physiograph)	Biological activity	500/- Per sample	800/- Per sample
6.	Blood cell counter	Blood cell counting	300/ Per sample	500/- Per sample
7.	Cooling Centrifuge	Centrifugation of heat-sensitive material	200/ Per sample	300/- Per sample

**Note:**

- 1 The user should provide standard/reference (compound/solution) for the analysis.
- 2 If instrument run time is more than 30 minutes for single sample analysis then hourly basis charges will be applicable.
- 3 For external users, @ 18.00 % GST or above (as per the prevailing norms) will be applicable in the above rate list.
- 4 Please add courier and CD charges of INR 100 (conditions applied).
- 5 Specific column must be provided by user if required.
- 9 Sample requisition form for each instrument is available in the form of annexure.
- 10 After successful submission of filled sample requisition form and payment, the samples should reach CFC within seven working days along with a copy of acknowledgement receipt.
